

# LEAD PROGRAM

LEAD (Leadership Enrichment and Development) is a program for high-performing Hendrick employees interested in learning more about leadership roles and skills essential in the healthcare industry.

**Candidates who wish to be considered for the 2024 Hendrick Health LEAD Program must meet the following criteria:**

- Candidates must have been employed with Hendrick for at least one year
- Candidates must be in good standing with Human Resources
- Candidates must not have received a write up in the past two years

**Applications will be accepted January 1 - February 9, 2024.**

**To find out more, visit [hendrick.health/leadinfo](https://hendrick.health/leadinfo)**

**Stay tuned for additional information.**
